Mr Art. Carter
3514 New Hampshire Ave.
Washington D.C.

Dear Art:

I was glad to receive your letter and learn you had recovered from a cold. Take care of yourself. we couldnt afford to have anything happen to you, we dont have many "Art Carters".

About the job you spoke of, Posey wasn't the on;y objector, but even if he did object, if the program would have helped the baseball, which it would, a strong chairman would have insisted on having it adopted. There is no use looking or even hoping for any constructive programs while our present setup continues.

I am asking all the local newspaper people to come by my house next Thursday March 19th for a high-ball. Nothing formal. Some of the boys are back from Puerto Rico, and I will have them here. Just a little informal get together. I wish you could be here. Is there any chance of you being this way?

Since my last letter to you, I have changed my plans to the extent, I may be around your way until I open in Newark. I may be able to play a game Sunday the 26th. Do you have any spot in mind that might be worth while for a Sunday? I will look to hear from you soon.

Very Truly Yours
